About Us

TaxPrime, a brand under Persekutuan Soewito, Fajar dan Rekan established in 2012, has rapidly grown to become Indonesia's leading consulting firm. With offices in Jakarta, Gresik, Surabaya, and Cikarang. Over the years, driven by a commitment to excellence and responsiveness to business dynamics, we have expanded our offerings to encompass **Tax, Customs & Excise, Fiscal Facilities, Business Advisory, Family Office, Human Capital Management**. Our expansion into ESG Investing & Business Sustainability reflects our ethos of promoting ethical and responsible business practices. Leveraging our deep industry knowledge and client-centric focus, we continually innovate to ensure our services meet the evolving needs of our diverse clientele.

Our Locations

Why Us?

Multi-Disciplinary Advisors

Leveraging our extensive network of 240 expert advisors, we bring together diverse professional backgrounds spanning engineering, finance, legal, tax, operations, and market analysis. Each advisor brings specialized knowledge in their respective fields - our engineers understand the technical intricacies of copper manufacturing, our financial experts optimize capital structures, our legal team navigates regulatory frameworks, while our tax specialists ensure optimal fiscal efficiency.

This powerful combination of multi-disciplinary expertise ensures your investment receives comprehensive analysis and optimization from every crucial angle, leaving no stone unturned in your path to success.

Technology-Driven Work Culture

Embedding our core values and organizational culture in all our endeavors, we've utilized a technology-driven Project Management System since 2015. This system not only ensures the efficiency of our top-tier services and to foster sustainability in our operations

Proven Track Record

Our extensive experience spans across multiple sectors, with over 4,000 successfully managed projects encompassing the full spectrum of business needs. While we excel in securing investment facilities including Masterlist, Tax Holiday, and Tax Allowance, our expertise extends far beyond - from comprehensive planning and compliance implementation to providing crucial support during assessments and dispute resolutions.

Our proven track record of delivering tangible value through proactive tax planning and risk management strategies is backed by our comprehensive understanding of sector-specific challenges and opportunities in the Indonesian market. This extensive experience positions us uniquely to not only facilitate your investment but also ensure its long-term sustainability.

Indonesia's Leading Homegrown Tax Consultant

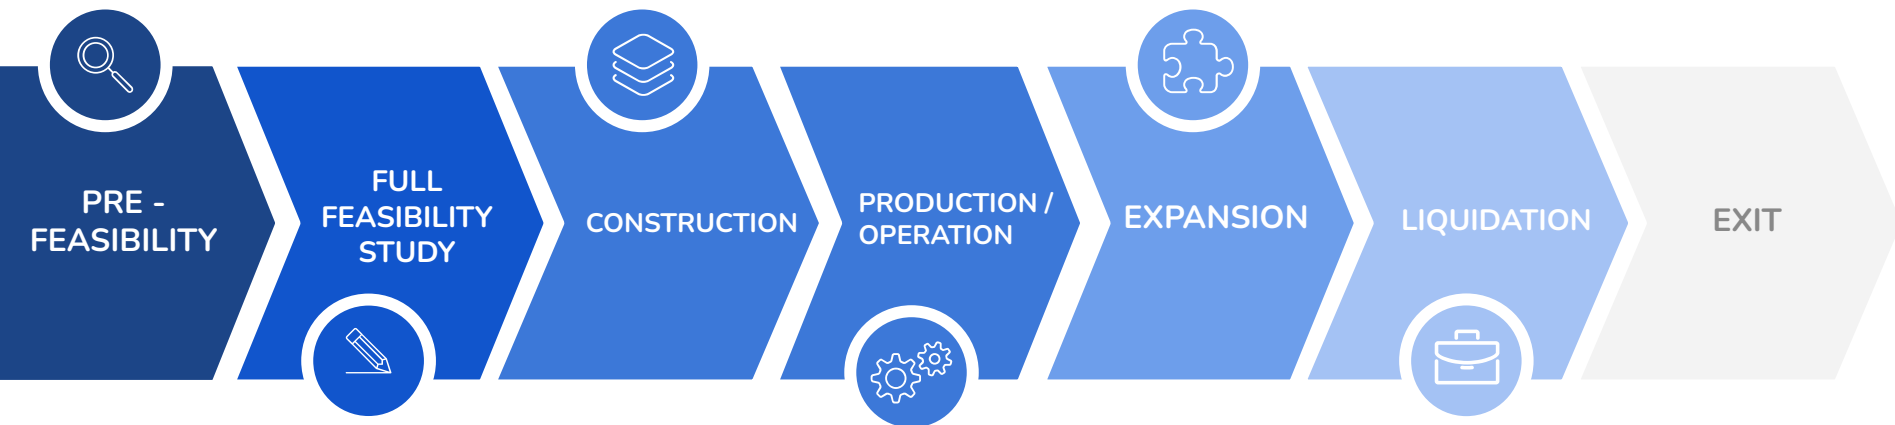

TaxPrime combines deep local expertise with a global perspective to help businesses navigate Indonesia's complex tax landscape. As a homegrown firm, we have strong industry knowledge and established relationships with tax authorities, specializing in compliance, dispute resolution, and strategic tax planning. Offering a smarter, more cost-effective alternative to global firms, we bridge local insights with international standards to deliver real results.
